9th International Scientific Conference

**Management of Technology
Step to Sustainable Production**

MOTSP2017

April 5-7 2017

Dubrovnik, Croatia

The International Conference "Management of Technology – Step to Sustainable Production" (MOTSP 2017) will take place from 5–7 April, 2017 in Dubrovnik.

Dubrovnik was selected as the venue of the Conference because it is the most significant, most attractive and most popular Croatian tourist destination for the tourists from all over the world. Known as "Pearl of Adriatic", Dubrovnik has rich cultural and historical heritage, numerous old architectural attractions, cultural events, pleasant climate and excellent airline connections. In the past it was a republic and a commercial, diplomatic and naval centre on the Mediterranean and in Europe.

According to the Scientific Committee recommendations and special accordance between MOTSP 2017 and journals Technical Gazette' and Transaction of FAMENA, the authors of the selected papers will be invited to extend their papers for publication in the mentioned journals
